**To:** Honorable Mayor Maso and the Frisco City Council  
**Thru:** George Purefoy, City Manager  
**From:** Mack Borchardt, Fire Chief  
**Date:** 3/5/2010  
**Re:** Fire Department Summary Report

**Report Summary:**

The Frisco Fire Department responds to a variety of calls for service. A call may require a single ambulance or multiple fire trucks to mitigate an emergency. The monthly report allows us to review calls by type and analyze the responses for adequate personnel and equipment.

**Comparative Data:**

The included graphs show the Fire Department's activity during the last year.

**Report Analysis:**

The Fire Department responded to 462 calls during the month of February including 221 emergency medical calls and 53 motor vehicle accidents. The Fire Department also responded to 2 structure fires and 2 vehicles fires resulting in combined damages of approximately \$336,100; the majority of loss occurred as a result of an accidental fire in a home under construction.

611 fire safety inspections and SAFER plans were completed in February. 111 new construction inspections were performed by the Fire Marshal's Office in February.

Average emergency response time for February by district:

- District 1: 4:40
- District 2: 3:58
- District 3: 4:35
- District 4: 5:47
- District 5: 5:43
- District 6: 4:47
- 

Overall average response time for first arriving Fire unit in the City of Frisco: 4:46

**Notes:**

The Fire Department offers CPR and First Aid training to Frisco residents as well as those employed in Frisco, including City employees. Fire Department personnel - certified as CPR instructors by the American Heart Association - teach techniques for one-rescuer CPR for infants, children and adults. Also covered in class is how to assist someone who is choking and the proper operation of an Automated External Defibrillator or AED. In addition to many Citizens trained, we are pleased to have trained over 200 City employees in this life saving skill over the past calendar year.
